Certificate of Completion

This is to certify that Lucas Curtin has successfully completed all assessments on the MPhil in Data Intensive Science programme. The examiners have recommended that they receive the following grades:

Module	Grade
C1 - Research Computing	76.1
S1 - Statistical Methods	67.3
M1 - Machine Learning	62.2
C2 - High Performance Computing	75.7
M2 - Deep Learning	73.8
A3 - High Energy Physics	74.8
A7 - Image Analysis	70.9
Data Analysis Project	92.5
Final Grade	76.7
Final Classification	Distinction

Major modules (C1, S1, M1, C2, S2, M2) are worth 12% of the final MPhil grade.

Minor modules (A1-A7) are worth 7.5% of the final MPhil grade.

The Project is worth 25% of the final MPhil grade.

The Pass mark for the MPhil is 60% and the Distinction mark is 75%.

The course is now complete. However, these grades are to be regarded as preliminary until they are officially confirmed by the Degree Committee when they meet on the 18th of September 2025.

Yours sincerely,

James Fergusson.
